Open Positions:

- **Postdoctoral positions in GRMHD** (link). Please send your application to the RIT employment site here with **REQ. # (BEING ADDED PLEASE WAIT)**. Please, also send a copy of the applications material and letter of references to: cccg-postdoc AT cccgweb.rit.edu. The application deadline is Jan 31, 2018, but review will start soon after completion of files.

Closed Positions:

- Postdoctoral positions in gravitational wave astronomy (deadline Dec 31, 2016)
- Graduate Student Research Assistant Positions (deadline Dec 15, 2016)
- Postdoctoral position in computational astrophysics and general relativistic magnetohydrodynamics (deadline Jan 31, 2016)
- Postdoctoral positions in Numerical Relativity and Computational Astrophysics (deadline Jan 31, 2014).
- Temporary position in Web administration and Computer Support (no deadline given).
- Student Administrative Staff Assistants (no deadline given).
- Postdoctoral positions in Numerical Relativity and Gravitational Physics (deadline Jan 31, 2012), or go to the RIT career zone and search for 212BR.
- Undergraduate student Research Assistant Position in Gravitational Wave Data Analysis (No deadline given).
- Postdoctoral Research Fellowship in Theoretical and Computational Astrophysics (Deadline: January 15, 2010).
- Postdoctoral Research Positions in Numerical Relativity (No deadline given).
- Web Master assistant (Student Employment).
- SMS Faculty Positions (Deadline: February 2009).
- Postdoctoral positions in Numerical Relativity and Gravitational Wave Data Analysis (Deadline: December 15; IRC27759)
- CCRG Faculty Position in Gravitational Physics (Deadline: Winter 2007; IRC10794).
• SMS co-op assistant.
• SMS Faculty positions in Applied and Computational Mathematics (no deadline given; IRC18413 (23))

RIT is committed to equal employment opportunity and affirmative action. (24)
