CCRG receive financial support through a combination of external and internal sponsors. This includes individual investigator and collaborative research grants, contributions, gifts and funds from the RIT's return of Recovered F&A cost for designated research centers.

Our current External Federal Sponsors are:
- National Science Foundation (NSF) [4]
- National Aeronautics and Space Administration (NASA) [5]
- Space Telescope Science Institute (STScI) [6]

Our current Industrial Sponsors are:
- Opticool Technologies [7]

Sponsored Research Links:
- Sponsored Research [8]
- Finance & Administration
- Foundation Relations
- RIT RAPID [9]

For information about ways to help our center, support our research programs, facilities and infrastructure, please contact us [10].
